DETAILED ACTION

Request for Continued Examination (RCE)

On February 9, 2006, the Applicant filed an RCE. The RCE has been entered and a detailed action follows below.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

Claims 1-23 are rejected under 35 U.S.C. 102(e) as being anticipated by Praisner (US 2002/0174030).

Praisner discloses a method and corresponding system for payment cards and related management systems comprising facilitating the administration of a subsidiary account within a database contained within a host computer, receiving at said host computer a request to establish a subsidiary account, said request identifying a parent account, said parent account being a financial account, said parent account having a parent spending power, establishing at said host computer a said subsidiary account, said subsidiary account having a subsidiary spending capacity linked to said parent spending power, wherein said subsidiary account is configured to consume a portion of said spending capacity to facilitate payment for a transaction, reducing at said host

computer said parent spending power by an amount less than said subsidiary spending capacity, and establishing at said host computer at least one spending limit configured to affect said spending capacity (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170—pre-approved limit based on authorized limit and additional limit based on company approval); the subsidiary spending power is configured to consume a portion of the parent spending power (p.20, 129); reducing parent spending power only by an amount less than the subsidiary spending power when said subsidiary account is linked to said spending power (p.13, 80 and p.15, 89—can set card parameters for credit limits and how to pay); establishing said spending limit is based upon a maximum transaction amount allowed per transaction (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); establishing said spending limit is based upon a maximum transaction amount allowed per day (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); establishing said spending limit is based upon a maximum transaction amount allowed during a predetermined time period (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); establishing said spending limit is based upon a maximum transaction amount allowed at a particular merchant (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); establishing said spending limit is based upon a maximum transaction amount allowed at a particular chain of merchants (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); establishing said spending is based upon a minimum transaction amount allowed at a particular industry type (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); establishing said spending limit is based upon a maximum transaction amount allowed in accordance with a predetermined rate of change over time (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); receiving said

Art Unit: 3624

request receiving said request via a means for communication selected from the group consisting of a telephone, a pager, a computer, a digital communications device, a television, a personal digital assistant, and a facsimile machine (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); monitoring spending activity facilitated by at least one of a said parent card account and said subsidiary account and modifying at least one of said parent spending power and said subsidiary spending capacity based at least in part on said spending activity (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170); and an account administrator module in communication with a transaction administrator module, a settler module and a statement generator module, wherein the said account administrator module is configured to receive a request for at least one subsidiary account linked to a parent account, a parent account facilitating the establishment of at least one subsidiary account including a subsidiary spending capacity, establish at least one spending limit in said parent account, and affect said spending limit by an amount less than said subsidiary spending capacity, wherein the said transaction administrator module configured to facilitate transactions, decreasing said subsidiary spending capacity, wherein the said settler module is configured to facilitate providing a settling payment to a merchant, and wherein the said statement generator module configured to facilitate generating a parent account statement (p.20, 128 to p.21, 131 and p.24, 150 to p.26, 170).

Provisional Application Listed on PTO-892 form

If a copy of a provisional application listed on the bottom portion of the accompanying Notice of References Cited (PTO-892) form is not included with this

Art Unit: 3624

Office action and the PTO-892 has been annotated to indicate that the copy was not readily available, it is because the copy could not be readily obtained when the Office action was mailed. Should applicant desire a copy of such a provisional application, applicant should promptly request the copy from the Office of Public Records (OPR) in accordance with 37 CFR 1.14(a)(1)(iv), paying the required fee under 37 CFR 1.19(b)(1). If a copy is ordered from OPR, the shortened statutory period for reply to this Office action will not be reset under MPEP § 710.06 unless applicant can demonstrate a substantial delay by the Office in fulfilling the order for the copy of the provisional application. Where the applicant has been notified on the PTO-892 that a copy of the provisional application is not readily available, the provision of MPEP § 707.05(a) that a copy of the cited reference will be automatically furnished without charge does not apply.

Response to Arguments

Applicant's arguments with respect to claims 1-23 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion
